"Leadership is the art of accomplishing more than the science of management says is possible."

General Colin Powell,

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."

John Quincy Adams

"Good ideas are not adopted automatically. They must be driven into practice with courageous patience."

Hyman Rickover

"Quality questions create a quality life. Successful people ask better questions, and as a result, they get better answers."

Anthony Robbins

"Masterminding: no two minds ever come together without thereby creating a third, invisible intangible force, which may be likened to a third mind."

Napoleon Hill
